

INSPIRA MI CANTAR

Es la persona
que inspira mi cantar
Siempre sonrío
cuando le veo al despertar
Sus novelas y escritos
se extienden por la ciudad
Sus recetas ya huelen
antes de cocinar

Es la persona
que inspira mi cantar
Siempre sonrío
cuando vuelve de trabajar
Su hamburguesa perfecta
va directa al paladar
Sus cortos intensos
parecen durar más

Es la persona
que inspira mi cantar
Siempre le sonrío
cuando me voy a acostar
Las estrellas radiantes
me lo hacen recordar
Brillando tan fuerte
aún le quiero más

Es la persona
que inspira mi cantar
Es la persona
que inspira mi cantar

HE INSPIRES MY SINGING

He is the person
who inspires my singing
I always smile
when I see him when I wake up
His novels and writings
are spread all over the city
His recipes already smell
before he cooks

He is the person
who inspires my singing
I always smile
when she comes home from work
His perfect burger
goes straight to the palate
His intense short films
seem to last longer

He is the person
who inspires my singing
I always smile at him
When I go to bed
The shining stars
remind me of him
Shining so bright
I love him even more

He is the person
who inspires my singing
He is the person
who inspires my singing
